Adult Day Care • Community Housing • Home Care**

For 135 years, The Lutheran Care Network has been caring for senior residents, either in one of our 11 facilities or programs, or in the comfort of their own homes. Formerly known as Wartburg Lutheran Services, we have a long rich history and a trusted relationship with many families.

For more information on our care centers or services, please call Judy Benke at 914-365-6365.
